Terms of sale.

(1) The purchaser of each lot is required to pay one-fourth of the sale amount into the nearest treasury within five days from the date of sale, failing which the lot will be re-sold at the risk of the purchaser who shall be required to make good any loss on re-sale, but shall not participate in any profit thereof.

(2) The balance of the purchase money shall be paid within thirty days from the date of sale, failing which the one-fourth deposit already paid will be forfeited to Government and the lot re-sold at the risk of the purchaser as mentioned in para (1) above.

(3) No timber can be removed by any purchaser until it has been paid for in full and until a license to remove is obtained for it.

(4) If the timber is left in the depot unremoved for more than ninety days from the date of sale, the purchaser will be required to pay depot rent at 12 per cent per annum on the purchase money from the date of sale.

Dist. Forest Officer.

KOLAR DISTRICT.

Notice dated 17th February 1909.

The attention of the public is invited to the Notification in the Gazette dated 25th February 1909, calling for tenders for the work of constructing Anglo-Vernacular School at Chintamani.

V. AIYASWAMI IYER,
Executive Engineer.

MYSORE CITY IMPROVEMENT DIVISION.

Dated 20th February 1909.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore City Improvement Division, up to 15th March 1909, for drainage and works in Lakshmipura Extension. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1909.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for drainage and other works in Lakshmipura Extension;" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Government, which does not bind itself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
